

Ocean View Psychiatric Health Facility is an adult inpatient unit.

Safe, Secure, Private

Ocean View is a licensed, JCAHO-accredited, Medicare-approved, freestanding adult acute psychiatric inpatient facility in the greater Long Beach Area. Since 2010, Ocean View has been dedicated to supporting adults with a psychiatric illness in need of intensive inpatient services.

Ocean View's inpatient unit is unique in that it offers a small and intimate environment.

Ocean View is Different
We Value Patient Privacy

Private rooms for the treatment of psychiatric illness and behavioral disorders in adults are a very important part of Ocean View Psychiatric Inpatient Services.

Private rooms offer a healing environment to decrease stress.

- ♦ All Private Rooms have a 32" LCD flat screen and cable television
- ♦ Private rooms are comfortable and quiet to help promote sleep and decrease anxiety

We value:

- ♦ The rights and dignity of every patient
- ♦ Effective treatment in a safe environment
- ♦ A supportive and private environment

This is our commitment to our patients.

Interdisciplinary Treatment Team Approach

- ♦ Comprehensive individualized care focused on providing supportive counseling
- ♦ Therapeutic interventions, education, and community resource support information
- ♦ Thorough psychosocial assessments to identify individual needs and personal treatment goals

The patient-centered environment is designed to promote healing and wellness.

Ocean View's Highly Experienced Staff

Ocean View is a safe and comfortable adult inpatient behavioral health hospital. Although individuals can be in crisis, our philosophy is a voluntary admission.

We believe that trust and cooperation, coupled with an experienced staff, can successfully support many patients who are in crisis.
